Song Hoffman - International Recruitment and Admissions,

South Dakota State University is a public/state university. 92% of applicants admitted. We have 11,235 undergraduates and 1,348 graduates with 5.0% of international students. SDSU is the state's largest university—and the best. With South Dakota's most comprehensive range of [academic](#) offerings, there's no better place to explore everything from aerospace to zoology. No matter which of SDSU's 175 fields of study the students pursue, they get a personal, practical education on this vibrant campus. Undergrads and graduate students alike learn to succeed in classes led by dedicated professors. Hands-on research projects with nationally respected professors, internships that bring coursework to life. Check out our courses and competitive tuition fee and living expenses – you will find what 'True Value' really means.

Peter Lundbye, Director, International Recruitment,

Founded in 1887, Troy University is located in the warm southeastern part of the U.S., within easy drive to Florida beaches and the city of Atlanta. We offer more than 100 quality educational programs at an exceptional value and while not always recommendable we do offer conditional or provisional admission to all academic programs.

Our safe, beautiful park-like campus includes a golf course, indoor and outdoor swimming pools, theaters, Starbucks coffee house, tennis and volleyball courts, soccer, track fields, fitness center and have cricket practice. At Troy you will find a rich heritage of friendly hospitality and family-like environment where faculty and advisors both take a personal interest in the success of each of our students. We look forward to welcoming you to TROY.
